

Regional 2020-2021 Contest Catalog

WEB DESIGN (Virtual)

Contest Description

The Web Design Regional Contest will have contestants demonstrate their understanding of web page design and development. **Teams of 2** will complete a web design project focusing on usability and accessibility, with at least one challenge related to scripting. Each challenge must be documented, clearly demonstrating the skills as outlined in the SkillsUSA Championships Technical Standards. This contest requires that contestants design and code a web page from scratch that fulfills the requirements designated by the prompt below.

Regional Competition

Students will be required to attend an orientation on **January 23, 2021**, 8:30am. Contest will start at 9:00am and end at 12:00pm. There will be interviews/presentations afterwards.

Regional Prompt:

Students will be required to make a minimum of one page website from scratch. The actual prompt will be given the day of.

Regional Rules and General Information:

1. No pre-generated code or graphics. This website is to be made **completely** from scratch.
2. Javascript **is** required.
3. No pre-generated code or graphics.
4. No drag and drop features that generate code.
5. No hard or soft copies of web design material.
6. No outside libraries.
7. No programs/software that require the Internet.

All SkillsUSA California contest projects are subject to change due to any unforeseen facility, staffing or site-related issues. Please use these materials as a reference to prepare students for the potential contest project. SkillsUSA California regional and state contest projects are developed by state technical committee members to align with the national technical standards.

Regional 2020-2021 Contest Catalog

8. No Lorem Ipsum. All text must be written, and put some effort.
9. Uploaded resumes are required
10. Everything **must** be made from scratch **unless** images are provided.

Materials Required by Contestants:

1. Computer with high-speed internet capability and camera to use applications such as Zoom. The minimum recommended internet bandwidth speeds for joining Zoom meetings, accessing on-demand curriculum and other online operations is 2.0 Mbps up and down. You can test your current internet speeds by following this link: <https://www.speedtest.net/>. Allow the page to load and click on GO.
2. Design and development tools necessary to build a complete website

Clothing Requirements

Official Dress is NOT required for Regionals. Clothing must be unbranded with no words, images, or logos. SkillsUSA or SkillsUSA California attire is recommended.

Note: Check the Contest Guidelines and/or the updates page on the SkillsUSA website:
